Sailors arrive READY TO SAIL, that means when getting out of their car, they will be dressed with their life vest on, face mask on and head directly down the ramp and rig.

Sailors will be given 1 hour to rig and leave the dock, but instructors will push to leave dock within 30 minutes of kids arriving.

Parents/Guardians are to drop off after med stuff is done, drop off outside pool area near the walk-way/ramp. Parents/Guardians must be at the club on time for pick-up, no waiting around. Members Children with parental approval can go to their boats and wait. No hanging out at the pool, no backpacks or bag storage at the pool.

No Parents/ Guardians will be allowed under any circumstances onto the dock, if they are seen please come to Virginia or myself.

No lunches will be ordered from the snack bar, all lunches must be in insulated packs and will be kept in the kids boats. No lunches will be put into the coach boats.

This is pretty bare bones, it is better than not having the program.

Waiver forms will need to be on [drycjuniors.org](http://drycjuniors.org) website. Copy and email back prior to start. All money paid on first day.

Opti owners may leave equipment at club during this time

Should we do 3 week segments

Prices need to be adjusted for the new schedule.
